

HAPPY HEART

E D E D
I held my brand new baby baby held it in my arms
E D E D E
I held my brand new baby baby held it with my heart
A E A B
two plus one is three I know and that is where you start
E D Ddim Ddimdim E B E D E D E D E
I held my brand new baby baby held it in my arms

E D E D
we all have our own little somethin' somethin' all have a way to shine
E D E D E
we all have our own little somethin' somethin' a love so true and fine
A E A B
feel it flow feel it grow like flowers on a vine
E D Ddim Ddimdim E B E D E D E D E
we all have our own little somethin' somethin' all have a way to shine

E D E D
a tadpole grows to a froggie froggie grows so green and fast
E D E D E
a tadpole grows to a froggie froggie just give it a chance
A E A B
a kitty becomes a lion and tomorrow becomes the past
E D Ddim Ddimdim E B E D E D E D E
a tadpole grows to a froggie froggie grows so green and fast

E D E D
now I've got a heart thats happy happy spread around my light
E D E D E
I've got a heart thats happy happy sunshine in the night
A E A B
it all started with a baby now our lives glow bright
E D Ddim Ddimdim E B E
now I've got a heart thats happy happy spread around my light
E D Ddim Ddimdim E B E
you've got a heart that's happy happy spread around your light
E D Ddim Ddimdim B E
we've got a heart that's happy happy spread around our light
