

LOVE YOU MORE

G Em C G
see you in the summer on a sandy beach all snug and warm like toast
G Em C G
sittin' on the grass soakin' up the sun on the toasty coast

Am C D
everytime I see you I think that I love you more
F C D
everytime I see you I think that I love you more and I do

C G D C G D C G D C D G
love you more love you more love you more

G Em C G
see you in the fall in a pile of leaves stop and smell a rose
G Em C G
lie around by a river side see how the water flows

G Em C G
see you in the winter frost is frosty on your button nose
G Em C G
makin' a snowman family we put 'em in a melty pose
G Em C G
see you in spring when flowers bring happiness that shows
G Em C G
I love the way we spend the day watching you grow
