

WHEN I WAS LITTLE

A D A D A
nothing better to do let's ride bikes nothing better to do let's ride bikes
D D# E7 A D
or maybe have a game of chase but where we runnin' we're not getting any place
A E A
and I learned the secrets of life when I was little

A D A D A
my best friend lived a few doors down my best friend lived down the street
D D# E7 A D
his mom had all the junk food my mom was into health food
A E A
and I learned the secrets of life when I was little

A D A D A
we wore green jeans and red keds we wore red keds and green jeans
D D# E7 A D
we didn't have to try them on just as long as they were green and a little too long
A E A
and I learned the secrets of life when I was little

A D A D A
outside all day long wild and free nobody knew where we were 'cept my friends and me
D D# E7 A D
when mom called my name it was time to go home one last game in the street light glow
A E A
and I learned the secrets of life when I was little

A D A
Dad drove us home at night in the family car
D A
my eyelids got heavy watching the moon and the stars
D D# E7 A D
I'd pretend to sleep because I knew my parents would carry me up to my room
A E A
and I learned the secrets of life when I was little

A E A
I learned the secrets of life when I was little
