RAIN AND THUNDER

G#   D#
darkness spakles when it calls electric flashes water falls
C#
puddles in the shadows under

B
do you hear the rain and thunder?
G#
do you hear the rain and thunder?

G#   D#
wet wet leaves and skies are booming dark dark clouds the storm is looming
C#
stirred up from the heat of summer

G#   D#
dirt was brown and dirt was dusty now the dirt is dark and muddy
  C#
I wonder is it any wonder?

G#   D#
rivers run when rain is flowing nutshell boats with bugs all rowing
C#
splashing through ins boots of rubber

G#   D#
booming bass when clouds go crash drops are dropping cymbal splash
C#
drips on leaves like crazy drummers

G#   D#
now it's night and all is sleeping water's deep from clouds all weeping
  C#   B
a quiet mind means yummy slumber do you hear the rain and thunder?
G#
do you hear the rain and thunder?
