WINTER PARTY

Ε А everyone is here grinning ear to ear Α they all took disco naps and avoided hunters traps А polar bear is spinning tracks snowy owl is eating snacks everyone arrives and the party comes to life D F spent the wintertime chillin outside frosty birds on a telephone line we're having a winter party F D singing in the choir sittin by the fire up on tip toe it's drifting higher we're having a winter party E D another year to grow while the icy winds blow make a little ball and give it a throw we're having a winter party (solo) A G D E (x2) Α Е the penguins all take turns dancing with the arctic terns А Е every seal is there but not the sleeping bears F the fox he got the dates all wrong so he cannot stay too long А F but the fox has got the time to sing this little song (end) A G D E (repeat to fade)
