CUT THAT COCONUT DOWN

G D
cut that coconut down please cut that coconut down
G Gdim C Cm G D G
upside down in a coconut tree cut that coconut down

summer day so steamy and bright got those thirsty blues listen to the creatures cry "we want coconut juice!!" oh those coconuts hang so high squint so you can see them dangling in the tropical sky who will climb that tree who's gonna

Suzie the snake volunteered to shimmy up for a bite two feet up and full of fear Suzie was afraid of heights Bob the bug said let me try they all watched him start but Bob was such a tiny guy he got lost in the bark he could not
